MGM GRAND HOTEL

The MGM Grand Las Vegas is the largest single hotel in the United States with 5,124 rooms. The property includes five outdoor pools, rivers, and waterfalls that cover 35,000 m², a convention center, the MGM Grand Garden Arena, and the Grand Spa. It also houses numerous shops, night clubs, restaurants and the largest casino in Las Vegas

Located on the Tropicana - Las Vegas Boulevard intersection, the MGM Grand is linked by overhead pedestrian bridges to its neighboring casinos: to the south across Tropicana Avenue, the Tropicana, and to the west across the Strip, New York-New York.

The majority of the UFC Fight Week events will take place at the casino, making this the most convenient place for our stay in Las Vegas.
